September 26, 2022

Ministry Matters

The first Saturday in November we will have a workday from 8 to noon. That is November 5th. Anne Pace will have a list of tasks to be completed which will range from flower beds to removing a couple of dead trees. I will also have other things that need to be done. Maybe there are things on the inside of the building that need attention. The doors will be unlocked and you are welcome to jump in and help make our building and grounds visually acceptable for our members and guests. Regardless of your skill level there will be something for everyone to do. Mark your calendars now so you will not forget and remember to bring your own tools. If you have any questions or need something for that day, please reach out to Anne Pace or myself.

The staff is working on the Ministry Resource Plan for the budget year of 2023. Please be in prayer for that process. If you are a team leader or are passionate about a specific area and would like to request or have input to the budget process, please let me know. I have budget request forms available in the church office.

No doubt you have seen the “embracing brokenness to advance the gospel” posters hanging around the campus. The purpose of those posters is to remind us of the Edna McMillian State Missions Offering. Our goal this year is \$3,750. Pray about how to give. Envelopes are available in the pew racks. We will continue receiving this offering through September.

See you Sunday!
Pastor Steve
