## Ministry Matters

*This past week Pastor Bryan, Shonda, Katie and I attended the Southern Baptist Conventions Annual Meeting in Anaheim, CA. While the meeting went really well, I know Bryan plans to update everyone soon, so I will let him do that. What stood out to me was an hour that went spent in an Uber on Wednesday night. Bryan was sitting in the front seat and struck up conversation with the driver, he explained who we were and why we were in California. This led to conversation about church and if the driver had ever attended church. He let us know he was active in a Catholic Church back home, but since he moved to California he didn't go. So Bryan took this moment to dive into a gospel conversation. The driver expressed that he was a good person and hoped that would be enough to get to heaven. Bryan then clearly communicated the gospel, talking about our need for a savior and walking through passages of scripture in Romans. While our driver did not accept Christ in that moment, Bryan did invite him to a local church. One of my favorite scriptures is Acts 1:8, "but you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth." Our calling is clear, where you sit right now is your mission field.*
