Ministry Matters

Blessings!

These are exciting days in the life of FBC Duncan! We have seen God continue to bring new families to the campus on Sunday mornings, with several joining in the last few weeks. This last Sunday it was a joy to see so many families come forward to dedicate their children to the Lord in an act of worship. Then, to see families come alongside and pray over them as they make this public commitment was all-the-more encouraging! Pastor Jordan is doing an exceptional job of leading our ministry to children and families.

Another encouraging moment I witnessed on Sunday is one that not everyone was able to see. Before Sunday School, a couple of brothers loaded up their arms with ping pong balls and began to toss them into our display in the foyer. These boys had done a great job of inviting their friends to church throughout the week and it was a joy to see them help to fill the tank. We have set a goal of extending 5,000 invitations by the end of the year. This goal is huge and will demand each of us to be faithful and intentional about reaching out to others. The truth is, when we are excited about what God is doing when we gather, it is very natural to want others to come and experience that with us. Now is a great time to invite your friends and family to come join in on what God is doing at FBC Duncan. This Sunday, each of our Sunday school groups will be setting a goal for their class and take up an offering to "buy in" to the 5K by Christmas Day campaign. My prayer is that each class will set a God-sized goal and that over the coming months we will be so encouraged to hear the stories of how God changes hearts and lives because of an invitation to come to church!

Thank you for the many ways you serve and pray for your church family. I'm looking forward to gathering this Sunday as we celebrate our graduates: Emily and Jack Matthesen!

Blessings! Pastor Bryan
