## Ministry Matters

*Great summer, what now? We have seen God work in amazing ways this summer in our ministries at Duncan FBC. It has truly been amazing to see God use our church to make an impact on the community. We've seen growth, recommitment, new members, and SALVATIONS! Now summer is over. One thing we should not cling to is, "Next Summer."*

*Colossians 3:23-24 CSB "Whatever you do, do it from the heart, as something done for the Lord and not for people, knowing that you will receive the reward of an inheritance of the Lord."*

*Our motivation in being the Church doesn't come from places like Falls Creek, Vacation Bible School, Super Summer, etc.. It comes from a God that loves us, and provides salvation and the gift of eternal life. The same God leading the summer activities is the same God that meets us where we are. NO MATTER WHERE WE ARE. We need to take on Paul's attitude, we find in Philippians 1, that we have the amazing privilege to live for Christ.*

*So do we sit on our hands and rely on God to do amazing things during events? No. Let's trust the same God that saves thousands at Falls Creek each summer to work on the souls here in Duncan. Let's trust the same God that split the Red Sea to impact so many hearts in our community. Let's let God use us.*

*Ping Pong Ball Invites are still going on. Let's see God use the invited to make a change.*
